Re: United States of America v. RAMESH CHITOR
Criminal Docket No. 22-CR370(LGS)

Your Honor:

This firm represents Mr. Ramesh Chitor, in connection with the above captioned docket. We are respectfully requesting that Mr. Chitor be granted permission to travel with his wife and two teenage children from San Francisco California to Hyderabad India. The dates of travel are December 15, 2023, through January 3, 2024. Specifically on December 15, 2023, he is leaving the United States, landing in India on December 17, he is leaving India on January 2, 2024, and arriving back in the United States on January 3, 2024. This trip is to visit with his ailing, bedridden father.

Mr. Chitor has been reporting without issues to pretrial services in California where he has resided since his arraignment on this matter in July 2022. He has continued to be in perfect compliance with all the terms and conditions of his release and maintains a respectful relationship with pretrial services. Bradley Wilson of the United States Pretrial Services consents and has no objection to this request for the two-week modification of the travel restriction. Further, based upon the approval of pretrial services, Assistant United

States Attorney Adam Hobson does not oppose this limited modification. Details of the trip, including flight logs, have been provided to pretrial services and the government.

Mr. Chitor and his family would be grateful if the Court would grant him permission for this trip. Mr. Chitor will continue to follow any conditions Your Honor directs.

Sincerely,

A handwritten signature in blue ink, appearing to read "R.M.S.", followed by "SCHECHTER, ESQ." in capital letters.
